Filing Receipt Corrections.

Gentlemen,

The above patent application was mailed to you on August 4, 2003 and now I realize that the fee of \$345.00 remitted was incorrect.

I enclose herewith an additional check for \$30.00, to complete the required amount and ask you to kindly put this check with the previous one, to prevent later correspondence and delays.

I regret my previous mistake and the inconvenience to you and thank you for your kind assistance.

Very Respectfully

C.N. Colyvas
